

INSURANCE of your MYPLACE storage unit

Status: July 2020

Scope of risk and coverage

The Lessee agrees on insurance with Donau for the stored objects. They are insured up to the value of the goods, as stated in the rental contract (insured sum) against the risks and damage listed below.

Fire Insurance	Damage is insured as caused by fire, lightning strike, explosion, the unavoidable consequences of this kind of loss event and damage from the crash or collision of manned aircraft.
Burglary	Damage (including vandalism) is insured as caused by committed or attempted burglary.
Tap water insurance	Damage is insured as caused by leakage of water from supply and return pipes in the water pipe, hot water supply or central heating systems.
Storm	Damage is insured as caused by storm, hail, snow pressure, falling rocks, falling stones and landslides.
Disaster control:	In addition to the contractually agreed storm cover, damage from high tide, flooding, back pressure, groundwater level rise, mudslide, earthquake, avalanche and avalanche air pressure as well as rain, snow and meltwater inside the building (if the water enters the insured buildings through the roof, from gutters or external drainage pipes) is also insured.
Not insured:	Cash, postage stamps, gold, silver and jewellery.

The insurance conditions and clauses can be found on our homepage at www.donauversicherung.at as a download.

DONAU Versicherung is one of the most traditional and simultaneously future-oriented insurance companies in Austria

DONAU Versicherung AG Vienna Insurance Group was established in 1867 in Vienna – in the same year that Johann Strauss composed the Blue Danube waltz. More than 150 years of experience in very turbulent times, competence and reliability have made DONAU to one of the biggest insurance companies in Austria, playing a decisive role in shaping the market. DONAU is one of the top 10 insurance companies in Austria with a focus on private and commercial customers and small and medium-sized companies. Customer proximity and the decentralised organisational structure present DONAU as a competent Austrian insurance company for all pension needs. More than 1400 employees in 9 regional head offices and numerous branch offices in all federal states offer numerous customers individual, needs-based insurance cover for house and home, motor vehicle and business.
